Dear Ken/Graham/William/Rich

On behalf of our Service Users and staff we would like to say a big thank you for building us such a wonderful Greenhouse for our service users. This looks wonderful and the men worked so hard to build this.

This is going to create some wonderful gardening activities for them and a better lifestyle and everyone from service users to families and visitors will get lots of enjoyment out of it.

Once again we thank you for helping to make a difference in our Service User's lives in this way, this is a great asset for our home.

Kind Regards

Angie Hardie
Vocational Recreational Activities Coordinator

Clare Smith
Service Manager

The team gets busy with the foundations...

Then it's time to get the frame in place

All composite panels safely in place...

A large door for easy wheelchair access...

Benches are in place ready for some plants...

Ready for action - the finished product...
